

Remote installation for RMF-GD001.

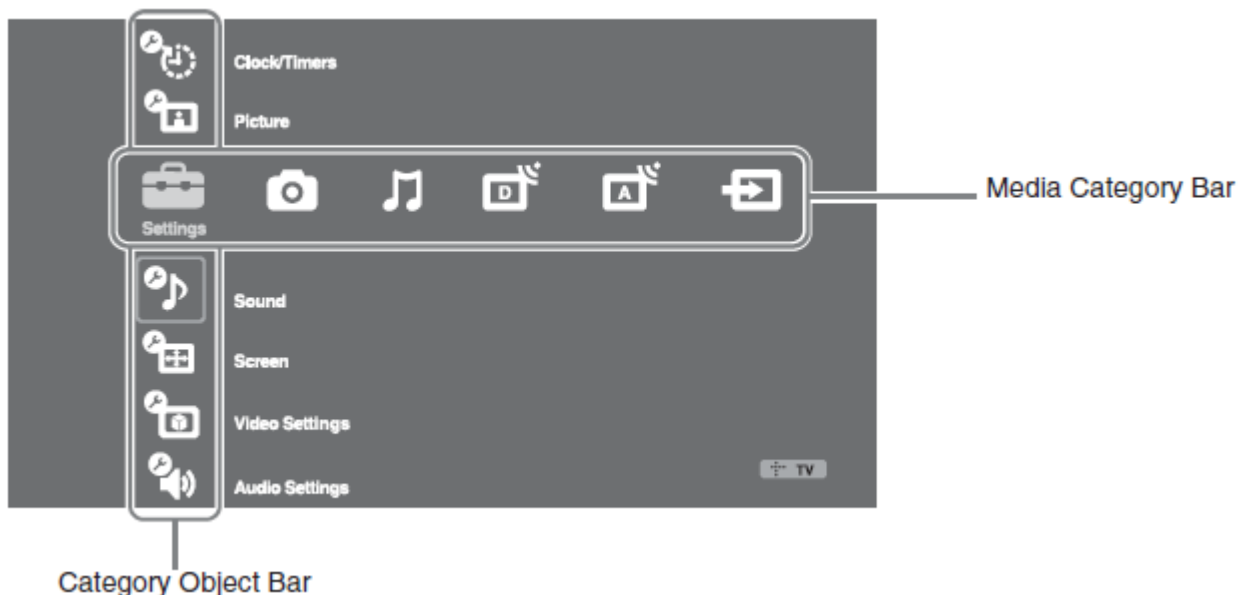

Please note: remote will not work until remote is registered with the TV.

1. Press the Power button (2) to turn on your TV.

- 2.

Using the buttons on the TV only, press the HOME button (11) (menu will show on screen).

3. Using the volume (left/right) and channel (up/down) Buttons (9 & 15), navigate down the category object bar until you get to Set-up

4. Once at the Set-up menu press the OK button (8) to enter menu.
5. Using the channel down button, go down the menu till you get to Remote control set-up. Press the OK button (8) and follow the instructions on the screen to register the remote.

When using RMF-GD002 use "EXT" button instead of "TV" button

6. Remote set-up complete.
